

# Extended Pizza Store

Prof. Jonathan Lee (李允中)

Department of Computer Science and  
Information Engineering  
National Taiwan University

# Requirements Statements

- ❑ In a pizza store system, two flavors of pizza are offered: Cheese Pizza and Pepperoni Pizza.
- ❑ Each flavor of pizza can be categorized into two styles: New York Style and Chicago Style.
- ❑ Each pizza style requires its own type of dough and sauce, for example,
  - NY Style: Thin Crust Dough, Marinara Sauce
  - Chicago Style: Thick Crust Dough, Plum Tomato Sauce
